Dear OTA Community:

On behalf of the State Senatorial office of New York, I send greetings as you gather for the Employment Development Seminar organized by Operation Turn Around (OTA).

Today is a great opportunity to bring people together and discuss the important issues surrounding employment. I believe it is imperative that we keep our community engaged in activities that are educational, constructive and fruitful. We are working hard in our administration to create as many employment opportunities for the community as we can, so tomorrow's leaders can experience the satisfaction of work today.

We stand behind Operation Turn Around and their efforts to improve communities through innovative, positive and relevant programming. Meaningful programs like OTA's Employment Development Seminar make our community stronger and a better place to live, work and play. Please accept my best wishes for a productive day.

Best regards,
